Scripture Text: Psalm 126 (NIV)

1. What stood out to you about the message of this service?
2. Consider Sunday's video highlights of Hope's 2025 Youth Group experiences and activities:
 - *Sunday Faith Formation and Messy Ministry*
 - *Sunday evening youth group activities*
 - *Worship Leadership Opportunities*
 - *PCUSA Synod School - Storm Lake, Iowa*
 - *Triennium Youth Conference - Louisville, Kentucky*
 - If you were part of a faith community in your youth, what were your most memorable experiences?
 - How has Hope's youth program strengthened your current experience in a faith community?
3. This summer, youth from Hope attended the 2025 Triennium Youth Conference in Louisville, KY, joining 2,000 youth from across the country to focus on their faith through study, worship, and fellowship, while also exploring relevant contemporary topics.
 - Why would participating in the Triennium experience have been important for our youth?
 - Were you able to participate in a similar experience as a youth? What impact did that experience have on your faith?
4. **Read Psalm 126.**

This Psalm was chosen as the overall theme text for the 2025 Triennium Youth Conference attended by members of Hope's youth.

 - What's the underlying theme of this Psalm?
 - Why is it important for our youth to understand perspectives on current day topics through an experience like Triennium?
 - In what ways can we ensure that Hope's faith formation ministry continues to grow and support our youth?
5. How can we pray for you?
